Dear

We would like to politely inform you about Pendock CE Primary Schools new big project which is to create a new Spiritual Garden. We would love for you to be a part of it!

Have you ever needed a quiet moment to stop, think and feel at peace? And this is what we are aiming for. We believe this space will make a real difference to our wellbeing and believe this will lower our stress and support us with our mental health.

We would really appreciate some donations whether its financial donations or extra plants, flowers, seeds, compost, gardening materials, wood logs or seating. Every donation helps.

Thank you for taking the time to read our message. I really hope you can consider helping us.

Yours sincerely,
